How to Measure Your Ring Size

If you are planning to give a surprise gift, pick one of her/his rings that fits well and place it on the chart to measure the ring size.

For accuracy, measure the bar with your ruler. If it is incorrect print this guide with page scaling to 100% and remeasure.

***Note that** if you are hover between two sizes, pick the larger one. Also, consider the width of the ring you are planning to give. If it is wide, choose 0,5 larger size.
